Head Teacher: Miss M Robinson

Dear Dave and all the wonderful volunteers,

Thank you so much for the experience you gave our children last Thursday. It was fantastic for the children to take part in so many activities whilst being inside our beautiful All Hallows Church.

All the volunteers were **excellent**. Their approach with our children was so patient and enabled the learning experience to be such a positive one. The organisation of all the activities meant that all our children learnt so many new skills and knowledge.

When we returned to school the children were 'buzzing' about it all as they had had such a great time **and** had a handful of things to take home! We have even had parents tell us that their children were talking about it at home as they had enjoyed it so much.

I know that experiences like this take many hours of work to set up and that you all gave your time to our children without cost to the school. For this I really want to say huge thanks as experiences like yours make such a difference to enriching the lives of our children.

We hope to see you all again for more activities in the future,

Best Wishes

Michelle Robinson and all the staff and children of Willow Farm Primary.
